

PERDELLE®

CONCEPTEUR DE SIMPLICITÉ

To assemble your equipment
scan the QR Code corresponding
to your INSTRUCTIONS

Perdelle - Swan

Perdelle - Neo

Perdelle - Taya

Recommendations

Check the assembly after a few hours of use, then once a week for two weeks, and then once a month.

Replace the pair of elastic bands if one becomes worn or damaged. The equipment does not require any specific maintenance. Cleaning with a soft cloth is sufficient. Do not use chemical products. Any damage caused by the use of chemical products is not covered by the warranty. If in doubt, contact Perdelle.
